

TRAIL CREW NOTES

17 April 2024

Location: Lower Big Quilcene (833), ONF

Crew members:

David Graves

Joanne Graves

Randy Kraxberger

Hours on job: 12

- Objective(s) for the day:
 - Cut out eight trees (found in February) either fallen across the upper portion of the trail or intruding into it.
 - Scout and remove any new fallen trees.
- Task(s) accomplished:
 - All trees intruding or across the trail from the upper trailhead down to one mile below Camp Jolley were removed.
 - No other immediately significant tasks seen though rebenching is needed at several points along the trail.
- Task(s) remaining:
 - Rebenching is needed to bring the trail back to hiker & stock standards.
