

A Shout out from our President, Dan Dosey, to all members:

Hi everyone, I am Dan Dosey without a mask. How are you doing? (great, ok, not so good, terrible) be honest. I care or I wouldn't have asked.

Truth is life is not only hard but full of changes. Our world has been changed because of the pandemic and many people are living with a lot of stress. As members of Peninsula Chapter together we support our mission statement, but we need to also support each other. I have felt that support from those I have had the privilege of working with. We are so fortunate to live where we do, to be able to own a horse and enjoy the outdoors, recreating on public lands. BCHW is a great organization, Peninsula Chapter is filled with many fine people. We are one of the top Chapters in the State. This last month we accomplished 9688.5 volunteer hours with a total value of 326,224 dollars, making us number one in the State. This work counts toward securing State grant funds which enabled us to accomplish a lot of work. Something to brag about! Thank you!!! We are in process of putting together our events calendar. I am hoping to host another Chapter picnic this Summer.

See you soon, Happy Trails

Dan Dosey

President

BCHW Peninsula Chapter
