

Elwha River Park

This area has several trails, including one that goes up to Glines Canyon lookout. The mark “You Are Here” is the location in the parking lot when you arrive. From there, several trails are possible and even though the road is closed you can follow the road to other trails.

Getting There

From Port Angeles follow US 101 west for 9 miles. Turn left just BEFORE the Elwha River bridge, onto Olympic Hot Springs Road (“Elwha Valley”). The road to the Ranger station has washed out, so now the road only goes about 2 miles to just inside the entrance to the park. There is a trail however, that follows the river out to the Ranger Station.

Parking

There is lots of parking available, including a generous turn-around for trailers. This is a popular park, so weekends are often busy.
