

Layton Hill Horse Camp

This is a really nice horse camp just East of Sequim off of Chicken Coop Road. It has great parking for trailers, as well as a dozen or more spots for overnight camping with horses. There are corrals and stock water available.

Getting There

Take 101 to Chicken Coop road. At about 2.5 miles, turn on Layton Hill road, which will bring you into the horse camp.

Parking

There is a huge field, so parking is never a problem.

There are numerous trails, as the map below shows, but generally the trails go up Layton Hill so there will be a climb. The views from the top are terrific, as you can see not only the Strait, but the whole Cascade mountain line-up.
